This evening we plan to celebrate the 100<sup>th</sup> birthday of the Boy Scouts of America. As Cub Scouts and leaders, we are following the trail left by millions of other boys, men, and women who have been in Cub Scouting. All of them had the Cub Scout spirit, which we will symbolize tonight with the lighting of many candles.

**Did You Know...**

Scouts are taught that the man who founded the Boy Scouts is an Englishman named William Baden Powell. But the Boy Scouts of America (BSA) was founded by an American named William D. Boyce. In 1909, Mr. Boyce, a Chicago publisher, lost his way in a dense London fog. A young scout came to his aid, guiding him through the fog. Mr. Boyce tried to give him a tip, but the scout explained that he could not take a tip for doing a *good turn*. Mr. Boyce was inspired by the actions of the scout and met with Robert Baden-Powell. The rest, as they say, is history.

**Cubmaster's Corner: Reflections on**  
**the Cub Scout Motto**

This is my first year as Cubmaster and my 4<sup>th</sup> year as a Cub Scout leader. I've see how my son--*our sons*--are growing, and how the Scouting program here at Pack 170 is a part of that growth. The Cub Scout Motto is "Do Your Best." We urge Scouts to do their best as they advance through the ranks. We as adults and leaders also try to do *our* best, by putting together the best Scouting program possible. Through picnics and camping trips, hayrides and Battleship boardings, Pilgrimages and Pinewood Derbys--we've learned that Scouting really is "*Fun with a Purpose.*" We're having a great year, and we're already looking to see how we can get everyone involved in planning the 2010-2011 season. Let's put together an *even better* program by working together!

I'm very proud to be a part of Cub Pack 170 during Scouting's centennial celebration.
