**Cub Pack 170 Welcomes
Live Steel**

Our program tonight includes a demonstration by Live Steel, a martial arts school that specializes in staff, sword and armored fighting. Special practice weapons are used for safety during demonstrations.

Popcorn Orders are Due Tonight

The popcorn fundraiser is finally coming to a close. We did very well at our Show/Sell locations, with \$1,666 in sales and \$942 in donations. Congratulations to all scouts, leaders, and parents who took time from their busy schedules to man the tables. Those who submit orders first can take the popcorn left over from the Show/Sells. We'll be picking up popcorn for the remaining orders on the weekend of November 5.

**Hayride at Yeager's Farm Market
Weds. 10/20 (6pm)**

It's not too late to sign up for Pack 170's annual hayride at Yeager's Farm Market on Rt. 113. Try to get there a little early, as we load up on wagons and head out to the pumpkin patch at 6pm sharp. All involved will get to pick their own pumpkin, and the evening will finish off with a fire, marshmallows, snacks, and drinks. *This a free event!*

**Fort Mifflin Sleepover Coming Up
(November 5-6)**

We need a final head count for the Fort Mifflin sleepover. If you plan on going, make sure to sign up tonight. The cost is \$30 per person. We'll be providing lots of details about the trip, including times, things to bring, and sleeping arrangements.

Scouting for Food 2010

Each November our Council holds a food drive on behalf of the Chester County Food Bank. The Council goal is to collect 100,000 canned goods for the 100th anniversary of Scouting. Special collection bags are available tonight: please take up to eight. Scouts will deliver the bags to neighbors, friends, and family starting Sunday, Nov. 7, then pick them up on Saturday, Nov. 13. Scouts should bring all collected goods to the Nov. 16 Pack meeting. *Please help: The Chester County Food Bank is projecting a 40% increased need for food this year.*
